

# CHANNEL TRANSFORMATION CONCLAVE

**Topic: Windows 11 Boosts Partner Growth**

17<sup>th</sup> September, Courtyard by Marriott - Chennai

Venue : Narmada | Time : 06:30 PM

Windows 10 support ends on October 14, 2025—no free updates or support afterward. Partners can drive growth by helping users move to Windows 11 or offering Extended Security Updates (ESU) for those staying on Windows 10.

Channel partners are essential to the Indian IT ecosystem, handling over 80% of the business. The shift to a hybrid workplace has increased demand for secure and reliable IT solutions, creating new opportunities for partners.

Join the Partner Transformation Conclave to discover new opportunities for growth in the evolving IT landscape. The Partner Transformation Conclave will provide insights on how to identify these opportunities and deliver on customers' digital needs. Learn how to help businesses thrive with modern, secure AI, Cloud, and hybrid work solutions.
